Just so you know, this is a Compare document. Also, I just sent Jerry a redlined Compare document on the Nelson Tunnel decree. My understanding is that you are trying to remove the 2 decrees through the approval process simultaneously.

Hello Heidi,

Attached please find our redline of the draft Consent Decree for the Gilt Edge settlement. Thank you for your patience as we worked through our review process. Mr. Congdon has been unavailable, so he may still be completing his review of the document, but Howard does not anticipate any additional significant changes from that review. Let me know please when you are ready to discuss moving forward to finalize the Decree.

Thank you.
